We know you have a variety of campgrounds to choose from in the Fort Bragg and Mendocino areas, so here's why our customers say that our private beach on the Mendocino Coast is the best in California!

We are headed home today and we are so sad to go. Thank you for letting us share your little piece of paradise. We had a wonderful time relaxing and playing in the sand.

This weekend was a celebration of life. Our best friends brought us here to relax and breathe the ocean air. I am a cancer patient and let me tell you this gives you hope and faith in God because only he could make a place so beautiful!

The girls and I enjoyed the beach and the chili cook off. What a great weekend!

Thank you so much for making it possible to rent this house. My nana was born and raised here and always wanted to stay here. My family camps here every year and we were able to bring her up for the afternoon watching the ocean. A memory I will always have.

We had a blast and will continue to share the beauty of this place with our friends and family.

We are bummed that we are leaving already! This was our first trip to Westport and we are definitely going to make this our annual trip. We are hoping that this is the first of many memories for our family!

Last August we made reservations to stay here, and because of illness in our family we had to cancel.

Our family came expecting to stay 4 days – we extended our stay and have had a wonderful time.

The view of the ocean we love is fantastic, the staff here at Westport has been accommodating, courteous and makes you want to come again, and we are!

We've made our plans for July of 2010.
